

## **Carl Johnson, CFP®**

Carl grew up with his father being in the financial services business and decided that is what he would like to do as well. He graduated from the University of Wisconsin – Green Bay with a degree in Finance and a minor in Economics. Carl also has earned the distinguished CERTIFIED FINANCIAL PLANNER™ certificate to show his commitment to education, ethics, and doing what is right for his clients.

Early in his career Carl worked mainly with his close friends and family. He learned immediately that the comfort and peace of mind his family and friends had in being able to work with someone they deeply trusted was invaluable. Being able to trust a Financial Professional to look out for your best interests in insurance, investments, and your overall financial situation is a huge relief most people do not get to realize. Carl has strived to bring that feeling of trust and comfort to all of his clients so they too can enjoy the peace of mind that comes from working with a trusted advisor.

Originally from Exeland, a small town in northern Wisconsin, Carl now lives in Oregon, WI with his wife, Karen, since getting married in the fall of 2004. Being from the northern Wisconsin, Carl enjoys hunting, fishing, sports (love those Packers), and most other outdoor activities. Carl has volunteered for Habitat for Humanity helping supervise construction crews building homes in Oregon.
